

# How to View Test Results

California Assessment of Student Performance and Progress (CAASPP) Results  
2017 CAASPP Test Results (Revised September 27, 2017)  
English language arts/literacy and mathematics Smarter Balanced and California Alternate Assessment

- 1 Navigate to <https://caaspp.cde.ca.gov>.
- 2 Select the **English Language Arts/Literacy and Mathematics** link.
- 3 Select the **Search Smarter Balanced Results** button on the right side of the page.
- 4 Select the County, District, and/or School for which you want to view results.

**i** *County, District and School are optional search fields. If only a county is selected then county-wide data will be displayed. If county and district are selected, district-wide results will be displayed. If all three are selected, school-wide results will be displayed. If no options are selected, statewide data will be displayed.*

Select School... ▾

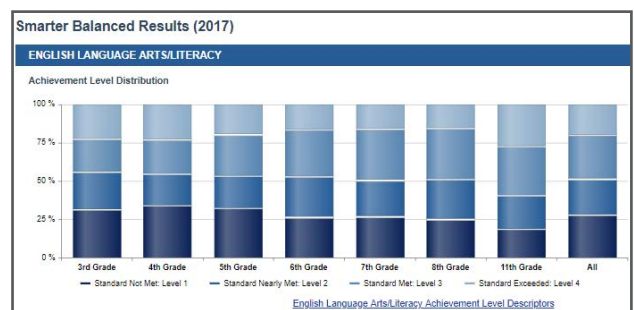

**View Test Results**

- 5 Select the **View Test Results** button.

**i** *A Keyword Search box is also available. Enter the name, county-district-school code, or zip code and click the **Keyword Search** button to display available options. Then click the **View Test Results** link next to the County, District, and/or School for which you want to view results.*

- 6 Review data as needed.

**i** *Graphs and tables are available for both English language arts/literacy and mathematics that show the percentage of students in each of the four performance categories by grade.*

**i** *Hovering over any area of the bar chart will display the percentage of students in that level.*

**i** *Additional information for each grade, including the number of students enrolled and tested, the mean scale score, and the percentage of students in each performance level can be viewed by selecting on the triangle to expand any sections in yellow.*

**i** *Hovering over the row labels will display additional information about the data in that row.*
