# B.E.L.I.E.F. Training of Trainers

Blueprints for Effective Leadership and Instruction for Our English Learners' Future

The **B.E.L.I.E.F.** modules were written specifically for administrators and instructional leaders to use to facilitate professional learning related to English Learners. Deep content knowledge is not required to effectively use these modules. Participants are encouraged to attend as teams.

**Audience:**

- K-12 district and site administrators
- EL coordinators
- ELD TOSAs

**November 14, 2017**  
**4:00–6:00 PM**

at the  
**SCOE Main Office**

10474 Mather Boulevard, Mather, CA 95655

**Cost is \$30 per person.**

**Register at [scoe.gosignmeup.com](http://scoe.gosignmeup.com).**

course ID = 10800

Please Bring a Charged Device!

California County Superintendents  
Educational Services Association

**In this Training of Trainers Workshop, participants will:**

- Become familiar with the content of the module series (see module titles below)
- Receive an overview of ways to best utilize the tools in the modules
- Learn ways to refine the implementation of English learner designated and integrated ELD programs, services, and systems of support
- Participate in sample module activities to reflect, analyze, and strategically plan to refine programs for English learners

**Module Content:**

- Module 0: *Laying the Foundation—Introduction, ELD Foundation*
- Module 1: *Framing the Context for Instruction—Integrated & Designated ELD*
- Module 2: *Building Up the Frame—Systems for EL Programs*
- Module 3: *Constructing Instruction—What ELD Looks & Sounds Like*
- Module 4: *Inspecting the Program—Monitoring EL Progress through Data*
- Module 5: *Walkthrough and Finishes—Continuous Refinement of EL Programs*
