

FAMILY AND COMMUNITY ENGAGEMENT IN EGUSD

- Office was created two-years ago
- Needs Assessment:
 - Interviews, focus groups, surveyed principals, teachers & families & analyzed both national, state & local FACE research
 - Results: 78% teachers & admin have never received any prof. dev. on FACE
 - Results: Families wanted more communication and more 1x1 communication. Also wanted strategies on how to help their children at home

YEAR ONE

- FACE Steering Committee
- Visited almost all 67 schools
- FACE Framework: Relational, Developmental, Collaborative, Interactive, Linked to Learning
- Finalized 3-year strategic plan
- Began offering professional development for BTSA teachers
- Began home visit training

Relational Developmental Collaborative

YEAR TWO

- Created Community Connection
- Professional Development expanded:
 - Began training & piloting the Parent Teacher Home Visit program
 - Began training Bilingual Translators Assistants, training our After School Program Coordinators, facilitated workshops for Title I schools
 - Working with VPs on creating Welcoming Schools
- Family & Staff Wellness Education Series Workshops
- Early Family Literacy Workshops
- Family Writing Nights
- Creating Newcomer Workshops
- Creating Family Engagement Course

Relational, Developmental, Collaborative, Interactive & Linked to Learning
