

Art Projects Professional Learning Session for Expanded Learning Program Practitioners of Students in Grades K-12

Abstract Art Exploration

March 20, 2018, 9:00 a.m. to 12:00 p.m.

In this training, participants will:

- ◆ learn about the building blocks of art through the study of abstract artwork
- ◆ learn the language of visual arts
- ◆ learn how to use the language to decode an abstracted image
- ◆ learn about abstract art by African American Artists on display in the exhibit entitled: *Hope Springing High: Gifts of African American Art*
- ◆ explore abstract art activities such as abstract painting and wearable art
- ◆ be provided with self-guided museum time
- ◆ be provided with additional resource lists and lesson plans
- ◆ be provided with a **free** museum pass

This professional learning session is aligned with and supports the following Quality Standards for Expanded Learning Programs:

- ◆ Quality Staff
- ◆ Safe and supportive environment
- ◆ Active and engaged learning
- ◆ Skill building
- ◆ Diversity, access, and equity
